Thanks to DJ Mahssa for her wonderful compilation <u>Pomegranates: Persian Pop, Funk, Folk and Psych of the 60s and 70s</u> on Finders Keepers Records (<u>www.finderskeepersrecords.com</u>).

Also thanks to Raks Discos for their compilation <u>Raks Raks Raks: 17 Golden Garage Psych Nuggets from the Iranian 60s Scene</u>.

And, of course, thanks to Dr. Bouroujerdi for his incomparable insight, and for lending me the Googoosh and Kourosh albums. :)
